

# TRACS Monthly

June 2016

## Hello TRACS Community!

In May, the Colorado State University work study program concluded for the 2015-2016 academic year with successful completion of over 700 backlog projects in TRACS from Regions 6 and 2. The work study program will resume next fall with Region 7.

The TRACS team has been working on updating state layers as well as reference map layers and symbology for FWS Landscape Conservation Co-ops, Bailey Ecoregions, Hydrology, and Critical Habitat Layers.

If you are new to TRACS or it has been awhile since you used TRACS or attended training, check out some of the new training materials and tools!

- The new **training videos** for the TRACS Basic, Advanced and Legacy Courses are great for self-paced learners and refresher training. The videos are available on the [KMS](#) and on the [TRACS Training YouTube Channel](#).
- **The next live class will be held August 16-18 in Denver, Colorado.** TRACS training is available in a variety of formats including traditional live classroom training, weekly virtual classes and self-paced online courses for both Basic and Advanced users. Customized training is also available by request (contact us at [tracs-training@fws.gov](mailto:tracs-training@fws.gov)).

## UPCOMING EVENTS

### 2016 Live Classes

August 16-18, Denver, CO

#### [TRACS Advanced Virtual Class](#)

Wednesdays 8am-4pm

#### [Drop-In Online Mentoring](#)

Thursdays 8am-12pm

### Meetings and Events

June 1: Working Group Phone Conference

# TRACS Tip of the Month

## How to Reset your TRACS Password

To reset your TRACS password for the live (production) environment, visit:

[https://tracs.fws.gov/data\\_tracs/dt/dashboard](https://tracs.fws.gov/data_tracs/dt/dashboard)

Keep in mind that the TRACS live and training environments have separate logins (also the TRACS Knowledge Management Site or KMS is separate as well).

After 5 failed attempts to enter a password, the system will have a 15 minute lockout. Wait 20 minutes before trying again. If you forgot your password, use the "Forgot Password" link to have the system send you a password reset link via email.

Tip: Keep in mind that you can only reset your password once within a 24 hour period. Contact the Help Desk for assistance if you are locked out.

For more information, visit the [Forgot Password](#) chapter.

If you have any questions, please feel free to contact us at [tracs-training@fws.gov](mailto:tracs-training@fws.gov).

**On behalf of the TRACS Team, thank you for your support!**
