

Boating Access BMP

Project Name: Boat Dock Decking Replacement – Spring Valley State Park
Dates: 08/11/2008 to 06/29/2010

Project Statement: Spring Valley Boat Dock Decking Replacement
Project Statement Dates: 08/11/2008 to 06/29/2010

NEED THREAT/STATEMENT: Decking has incurred dry-rot in several places, and has extensively splintered on Eagle Valley Reservoir. Decking material degradation requires complete replacement of dock facility.

NEED/THREAT TYPE:
LEVEL 1: Recreation Needs
LEVEL 2: Public Access Needs

OBJECTIVE 1 - Improved access on Eagle Valley Reservoir at Spring Valley State Park

Objective Statement: Provide improved fishing and boating access to Eagle Valley Reservoir within Spring Valley State Park by providing a new, higher quality, deck on the existing multi-use dock.

Objective Type: SMART
Standard Indicator: Number (access projects)

ACTION 1

Action Name: Boat Dock Decking Replacement
Action Dates: 08/11/2008 to 06/29/2010
Action Category: Facilities and Areas (Major Renovation)
Action Strategy: Boating Access Facilities
Action Activity: Docks/Piers
Standard Indicator: 1 (Docks/Piers)
